

CASEY PORT, LEED-AP
 SENIOR PROJECT MANAGER

“I focus my efforts on client satisfaction. Being able to provide value for the client is my reward. It is my job to anticipate potential obstacles and provide the best possible solution for the client.”

Casey Port brings more than ten years of construction and development management experience to Hubbell Construction Services. He has extensive experience in commercial and tenant improvement construction. Casey manages projects from the conceptual stage through punch-list and warranty activities. Currently he manages construction activity within the portfolio of Hubbell Realty Company properties.
