

**RANDY SNIDER**  
SENIOR PROJECT MANAGER

“I am proud to work for a company with so much local experience. Developing lasting relationships with our clients is critical, and we continue to earn repeat business through exceeding expectations.”

In Randy’s 28 years of project management experience, he has performed at a high level in all aspects of the construction process. He has worked on projects ranging from senior living facilities to corporate headquarters. Randy understands the needs and demands of all parties involved, giving him a greater ability to deliver projects on time and on budget.
